Dear Phil,

I want to recognize the Jack Del Rio Foundation for its kindness toward children. Our organization, along with several others who serve the needs of children was selected to take part in the annual Jack Del Rio Foundation Ice Cream Social. The event took place at the Jaguar practice field during the morning practice on Tuesday August 4th. The children were treated like VIPs with their very own tent and personal attention from many players. The players were awesome and Coach Del Rio even took the children for a personal tour of their film and weight rooms inside the stadium. Thank you to Coach Del Rio and family. Thank you, Wayne Weaver, for having caring players and having a wonderful person leading your team. GO JAGS!

Sincerely,

Randy Hopf
